

## GILDEMEISTER MF TWIN 65

**Type:** Cnc lathe 2 spindles / 2 turrets

**Brand:** GILDEMEISTER

**Model:** MF TWIN 65

**Year:** 1996

**C.N.C:** SIEMENS SINUMERIK S840

**Specifications:**

With new hydraulic power unit. Equipment: No. 5 radial driven tool holders, No. 4 axial driven tool holders, No. 2 double axial driven tool holders, No. 13 fixed tool holders for external machining, No. 10 fixed tool holders for internal machining.

## Technical information

### CAPACITY

Turning  $\varnothing$ : 250 mm  
Turning length: 350 mm

### 1ST SPINDLE

Spindle nose: 6ASA  
Bar capacity: 65 mm  
Spindle speed: 5000 rpm

### 2ND SPINDLE

Spindle nose: 5 ASA  
Bar capacity: 46 mm  
Spindle speed: 6000 rpm

### 1ST TURRET

Tool Stations: 12  
Power turret: 12

### II TURRET

Tool Stations: 12  
Power turret: 12
